

# BoxNSeek

SNT Gaming has just released 'BoxNSeek' on the AppStore and Google Play!

*BoxNSeek is a competitive multiplayer arcade mobile game. 3 Seekers team up against 1 invisible player named Shadox!*

BoxNSeek, UK release – available now! 3 Seekers team up against 1 invisible player named Shadox! Seekers must eliminate Shadox by shining their torch on him and drain his health. However, Shadox will not show on any Seekers device unless in the light, so Shadox must use this stealth to sneak up on unsuspecting players and eliminate them with a single touch. Earn coins by winning a round and use them to unlock costumes or maps.

## Features:

- Enjoy intense real-time multiplayer rounds
- Play as Shadox who is invisible to all other players, unless in the light
- Play as a Seeker and work as a team to find Shadox
- Eliminate Seekers with a single touch
- Drain Shadox's health using your torch
- Earn coins to unlock costumes and maps
- Customise the look of each character

BoxNSeek is **FREE** to play and offers In-App Purchases. BoxNSeek features an original soundtrack and theme for each map, it uses simple but visually pleasing graphics and characters (*especially if you like the colour purple*). Anyone can pick up and play BoxNSeek thanks to its simple D-Pad touch system and easy to grasp game premise.

**Additional:**

BoxNSeek is currently available in the UK AppStore and Google Play, US soon! BoxNSeek is also cross-platform between iOS and Android.
