About DOOMED MODE

DOOMED MODE is an intense top-down action survival game, set on a brutal planet where your body and mind will be pushed to their limits. To stay alive, you will pit yourself against hordes of alien wildlife, robotic enemies and a fierce environment.

About Crytivo

Crytivo is an international game publisher based in San Diego, California. We specialize in helping independent developers deliver their games to multiple platforms by giving teams the support and space they need to achieve their vision.
