LASER MAZER, an AR puzzle game now on the App Store!

Austin, Texas - May 22, 2018 - Walk, dodge, crouch, hide, dance, and squeeze your way past deadly lasers in **Laser Mazer**, a challenging AR puzzle game from Austin studio Mighty Coconut!

[Now available for iPad and iPhone on the App Store!](#)

Check out the trailer at <http://lasmazer.com/>

Inspired by spy movies, Tron, and 80s arcades, Laser Mazer is played by walking around in the real world. Find an open space (outdoors is best!), scan the real world environment around you, and walk around to solve over 40 unique challenges which will test your mind and reflexes.

Laser Mazer is \$2.99 in the App Store. Our Press Kit of logos, gifs and screenshots can be found [here](#). If you or your team would like Laser Mazer for press or review purposes, contact jo@mightycoconut.com.
