# GAME PROGRESSION

Each large area consists of twelve routes offering unique challenges and different ways to complete each run. Faster times will allow you to unlock levels quicker due to our star system. The faster the run the more stars you gain which gives you the ability to unlock new areas.

There are many destructible elements in the game, such as breakable fences, exploding gas and propane tanks as well as fire hydrants where the player can take advantage of to help aid in their time to deliver each package offering countless hours of replayability.
