Caribbean Catch – Save tropical paradise with your coconut in the App Store

Grab your Coconut! Catch the umbrellas as they rain down, faster... faster...

Allen, TX - July 8, 2014 - Available today the game Caribbean Catch. A simple game that turns a few idle minutes into an enjoyable break, with thoughts of your next tropical vacation.

The gameplay is easy, just slide your coconut under the falling umbrellas. There's nothing to learn and you can get started quickly. Challenge your friends, improvise a tiki bar competition, or simply see how long you can last. It's addictive and fun.

Caribbean Catch is a free iPhone game available worldwide for all ages. Several contests are scheduled for July with winners featured in the August version update.

Please visit www.cococatch.com for news, contests, & video of upcoming features or events.
